Tariff for Water Service: <https://www.shorewaterco.com/tariff>

Customers supplied with water under a flat rate contract will not be permitted to use the water for any other purpose than is stated in the application for service, not to supply water to any other person, house or premises without written permit from the company. Water will not be furnished where pipes are inferior, plumbing defective, or the faucets, toilets or other fixtures are leaking or imperfect and when such conditions are discovered the supply of water will be cut off or a temporary meter installed unless immediate repairs are made. It is illegal for anyone other than an authorized representative of Shore Water Company to reconnect service at the curb.

The minimum annual charge for each dwelling unit or apartment served under the flat rate schedule shall be not less than \$600.00 per annum, one half to be rendered for payment by March 1, the balance by July 1, one year in advance of the billing period. Bills for service to condominium units shall be sent to condominium owners associations or individual condominium unit owners as may be determined by the company. The state of New

Jersey enacted CH.443 of the laws of NJ 1993 concerning periodic testing of public water supplies that established a water tax of \$.01 per 100 gallons of water. This tax is reflected and included in above rates.

BILLS ARE DUE AND PAYABLE WITHOUT DISCOUNT WITHIN 15 DAYS OF THE DATES RENDERED. Physical reconnections of service after disconnection to seasonal accounts shall incur a \$75.00 charge during normal business hours and \$125.00 at all other times. Please give our office written notice 48 hours in advance for reconnects. Dishonored checks will incur a charge.

If you are over 65 years of age and wish a third party notification for billing, please notify us.
